**A message of greeting from DFLP  
on the occasion of 20th Anniversary of PRCF**

**Dear comrades of PRCF**

The Democratic Front for the Liberation of Palestine DFLP sends its greetings to you, and hopes the success of your conference on the twentieth anniversary of the founding of the party known for defending the causes of peoples against imperialism, especially the cause of the Palestinian people who face an Israeli colonial and apartheid regime, which commits massacres and crimes against the Palestinian people.

DFLP appreciates your struggle in defending the rights of the Palestinian people stipulated in international legitimacy resolutions, specifically their right to self-determination and ending the Israeli occupation of their lands based on the decision of the International Court of Justice, and the establishment of an independent Palestinian state with Jerusalem as its capital and the return of refugees to their homes in accordance with Resolution 194.

The Democratic Front for the Liberation of Palestine DFLP points out the necessity of sustaining the relationship between the two parties in order to defend the interests of the people and confront global imperialism that contributes to the destruction of societies and countries, as well as with all leftist parties that are struggling to reach this goal.

DFLP hopes to continue to provide your permanent political support to the Palestinian people and the just Palestinian cause.
