

To the Pôle de Renaissance Communiste en France (PRCF)

Paris

Dear Comrades,

On behalf of the Hungarian Workers' Party, we send to our fraternal greetings and best wishes on the occasion of the 20th anniversary of founding of PRCF.

The founding and activity of the PRCF has become a strong element of reorganisation and strengthening of communist forces in France. The Hungarian Workers' Party supports the struggle of the PRCF against capitalism in France and in the European Union.

During these twenty years the PRCF has become an important member of the international communist and workers' movement. Many fraternal parties respect the consequent Marxist-Leninist position of the PRCF, its principal estimation of current affairs.

The internationalist policy of the PRCF supports our common efforts to renew the cooperation of anti-capitalist parties in Europe and all over the world.

Your fight against the aggressive plans of the NATO is an important contribution to our common efforts to prevent the escalation of the war into a nuclear world war.

The Hungarian Workers' Party considers you as our ally and friend. We are ready to deepen our cooperation in all possible fields. We support you and you can rely upon us.

On the 20th Anniversary of the Founding of the PRCF we wish a long-lasting happy future to all members of your party. We wish a long-lasting sincere friendship and fruitful cooperation for the PRCF and the Hungarian Workers' Party.

Comradely yours

National Presidency

Hungarian Workers' Party
